

Royal York Baseball

## 2017 Tryouts Calendar

\*\*\* Please check new information below as this is a LIVE DOCUMENT and will be updated periodically\*\*\*

-- WEATHER ADVISORY --

Please re-check this document before leaving for your Tryout, to ensure that you are fully advised of possible cancellations for inclement weather.

### Notes:

- (1) This is a "live" document and may change as Tryout Information is updated. (Please refresh your browser to ensure you are looking at the most current document.)
- (2) RYBL holds OBA Rep Team tryouts on a combined waterfall basis, with all players interested in playing AA or A asked to attend the combined tryout for their particular age-group. (If you feel your son or daughter is capable of playing baseball at this level, please bring him or her to the Tryout irrespective of his current level of baseball; each tryout participant will be given a fair evaluation). Following selection of the AA/A teams, further tryouts will be held for final selection of A and Select teams, and will be posted in this document.
- (3) Please note that RYBL reserves the right to field only one Rep Team in any particular age-group, which is dependent on, among other things, expected levels of competitiveness.
- (4) RYBL's Select Teams are generally teams comprised of both "Major" and "Minor" year players, and RYBL currently operates one Select Team at least playing Division (e.g., Rookie Ball, Mosquito, Pee Wee, Bantam and Midget).
- (5) **Permissions to Tryout Forms** - If you are from an organization outside of the EBA, and are a Rostered OBA player, please ensure that you attend the Tryouts with a Permission to Tryout Form signed by your Organization. For TBA players, please download this form at:  
<http://www.etobicokebaseball.com/view/etobicokebaseball/home-page/forms-43>
