Dear Alan,

We hope you, your family and friends are staying healthy and safe, and that this message brightens your day.

Behind every scholarship recipient at Humber, there is a compassionate donor dedicated to helping them succeed. Your league's generous contribution to the Royal York Baseball League Scholarship is providing your recipients, Hannah Koziolk and Stephen Nahrabeki, with the opportunity to gain a quality education and work towards graduation with a life of promise ahead. At times like these, community support of our students is more important than ever, and we are grateful for your commitment.

The impact of the Royal York Baseball League's generosity can be felt every day across the College. You are helping students like Hannah and Stephen continue their education in a time of difficulty and disruption, and allowing them to gain the skills that will set them up for the brightest future possible. You are not only giving them a chance to succeed, you are helping the entire Humber community succeed as well.

On behalf of everyone at Humber, thank you for helping students unleash their unlimited potential.

Unlimited Gratitude

Dear Mr. Waffle,

My name is Hannah Koziolk and I am honoured to be this year's recipient of the Royal York Baseball League Scholarship. I was thrilled to learn of my selection for this scholarship and I am deeply appreciative of your support.

I'm using this program as a stepping stone and a resume builder as I want to be a firefighter in the future. I've met a lot of really great people and my professors have been incredibly helpful and supportive during my program.

I am very thankful to receive this scholarship. This has allowed me to pay for my schooling with much less stress, as the cost really does add up. I really appreciate this scholarship and will work to make sure it's not wasted.

Once I graduate I plan to pursue a career in firefighting as it is something I'm very passionate about. I hope to travel and to stay active after I graduate as well.

Thank you again for your generosity and support.

Sincerely,

Hannah Koziolk

Unlimited Gratitude

Dear Mr. Waffle,

My name is Stephen Nahrabeki and I am honoured to be this year's recipient of the Royal York Baseball League Scholarship. I was thrilled to learn of my selection for this scholarship and I am deeply appreciative of your support.

I chose film because it is something I am truly passionate about. I want film to impact peoples lives like it has inspired me. My experience at Humber has been amazing. It has taught me so much and I am only finishing my second year. Humber has provided me with opportunities and memories that I will never forget partly through varsity baseball, and being part of the media team. Pushing forward I will share all that I have learned and create stories that change lives.

This scholarship allows me to strive to be the best varsity athlete I can be. I always hoped I would receive a scholarship but it was a dream that I never expected to complete. I really appreciate donors like you as it helps me keep my head on straight and to know my hard work is not going to waste. It is also a reminder that it is not over yet. As you have been so generous in awarding me this honour I will work even harder on and off the field because I believe if you put in the effort you can inspire a whole new generation to do the same and show that hard work pays off.

I have not yet decided on a specific area of the film industry to focus on when I graduate but for now I will focus on cinematography, script writing and sound editing. These three aspects of film are what brought me to the industry. Cinematography puts a mind blowing picture on screen that lets you see the world in a different way. Script writing allows me to make stories that will influence the way people connect over worlds I create! Last but not least sound editing has the power to impact emotions. With an amazing sound track I can create anthems and make moments that much more beautiful. Thanks to generous donors like you, I am able to pursue a million dreams.

Thank you again for your generosity and support.

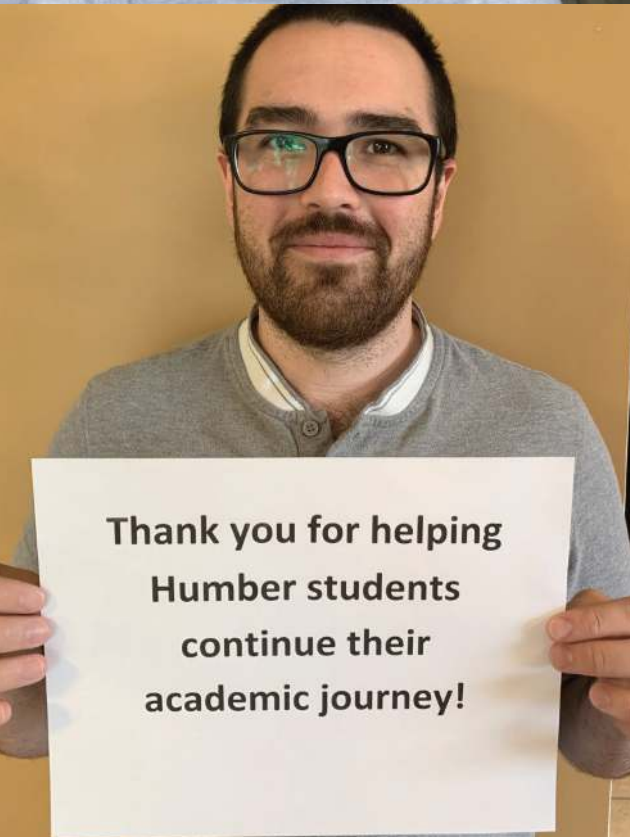

Sincerely,

Stephen Nahrabeki
